Be it in the gentleman's corner of your apartment or center stage in your living room, the Bar in its simplicity, serves as a humble vessel for your most precious liquids. The opacity of the ribbed wood enclosure allows for one's imagination to run wild. Slip a finger through the wood slats on its front to effortlessly pull open its doors and reveal a splendor of hidden vices. A leather top makes your drink prep all the more enjoyable. Beautifully aging with time, the Bar will serve as a trusted companion for years to come.

Through the precision of laser cutting plate steel, the framework for the Bar can achieve elegant radiused corners. A slender laser cut steel profile acts as a framework capturing thin oak slats and a supple leather top.

03

All pieces from Klein HOME collection are completely customizable in their dimensions as well as material finishes. We love how our bar turns into credenzas, side tables and night stands with custom orders and becomes fully integrated part of our client's homes.
